MEMORANDUM FOR THE RECORD

SUBJECT: Briefing of SSCI Staff Members on Soviet Ballistic
Missile Activities

1. On 23 September 1983, SSCI staff members at their request were briefed on Soviet ballistic missile activities. The briefing took place in SSCI headquarters and a transcript was taken to facilitate further staff study of the material. Larry Gershwin, NIO/SP, and [redacted] C/DDI/ACIS, provided the briefing and, following their review of the transcript, it was returned to SSCI.
